

URGENT REQUEST PROVIDE A BED FOR A CHILD IN NEED

PLEASE SPONSOR A BED

Family Promise of Tulsa County is preparing to open its doors to families who have no home. Congregations all over the county have opened their doors to provide a safe shelter, all that is missing are the beds!

We ask that you please sponsor a bed for a needy child and their loved ones. A donation of \$500 will allow us to purchase durable bedding, mattresses, and mattress covers so that families can begin their journey of promise for a brighter future. Your help is needed today
